

# LIBERTY CHRISTIAN SCHOOL

September 27, 2022

Dear Friends of Liberty Christian School,

We are thankful you are a part of our LCS community! We enter this new school year with much gratitude and anticipation. As we reflect upon this past school year, we are so appreciative that our parents, students, faculty, staff and board members come together as one community. We give thanks for God's continued grace and blessings on all of us as we were able to evolve to a "more normal" school year.

As we look forward to the 2022-2023 school year, I am pleased to share that we are almost at pre-pandemic enrollment numbers and expect to surpass our pre-pandemic enrollment numbers very soon. This is a testament to the goodness and faithfulness of our God.

God still has much work for our school to accomplish as we proclaim the gospel of Jesus Christ. You are an integral part of that work and as you are well aware any great endeavor is successful only when we come together. In the words of Mother Teresa, "I can do things you cannot, you can do things I cannot do, but together we can do great things".

Liberty Christian School needs your support to continue to bring a quality Christ-centered education to our students. Our commitment to parents sending their children to LCS is to provide a challenging and engaging education through access to top curriculum, activities, technology and equipment.

The Partnership Legacy Fund remains an essential part of funding for Liberty Christian School. It is funded by two means, this Annual Fund and Annual Auction. Last year we set the bar high, as we had quite a bit of making up to do from the pandemic years. By the grace of God and the very generous support of our LCS community we came very close to achieving that goal raising over \$51,000. Once again, we are going to set the bar high, so we can continue to keep tuition costs down and enhance our offerings for our students. Our goal this year is to raise \$75,000 and in order to meet this elevated goal, we need your support. You can make a difference in every student's education by being an **LCS Supporter** with a gift of just \$1.00 per day or \$365, however a gift of any amount is greatly appreciated.

*"Liberty Christian School doesn't just provide us with the opportunity to learn, we are also blessed with an opportunity to grow. Whether studying new and lively Bible stories or engaging in enlightening clubs, LCS promotes an environment for us to expand. We are provided with numerous ways to enhance ourselves mentally, spiritually, physically, and emotionally! Therefore, your donation will really help our school to continue to nurture us in many different ways. Your donation can help provide new athletic equipment, art supplies, instruments, and electronic devices. As you can see your donation is vital so LCS can continue to provide a stimulating and exhilarating journey for both current and future students." Jayla, Class of 2023*

Please help us continue the legacy of preparing our students to make an impact for Christ by making a tax-deductible contribution to the Partnership Legacy Fund. You can contribute today by mailing your gift or by visiting our website [www.libertychristianschoolmd.com](http://www.libertychristianschoolmd.com) and clicking on DONATE at the top of the page.

On behalf of the faculty, staff and board of LCS and in service to His Kingdom.

Marcia Antoine,  
Head of School
